Colouring Tips and Tricks

Experiment with Materials

Try using different materials such as colouring pencils, felt tip pens and crayons, to achieve different effects. Some will give you a stronger appearance where others can appear softer.

Why not do testers on the side using different materials and techniques so that you can compare effects?

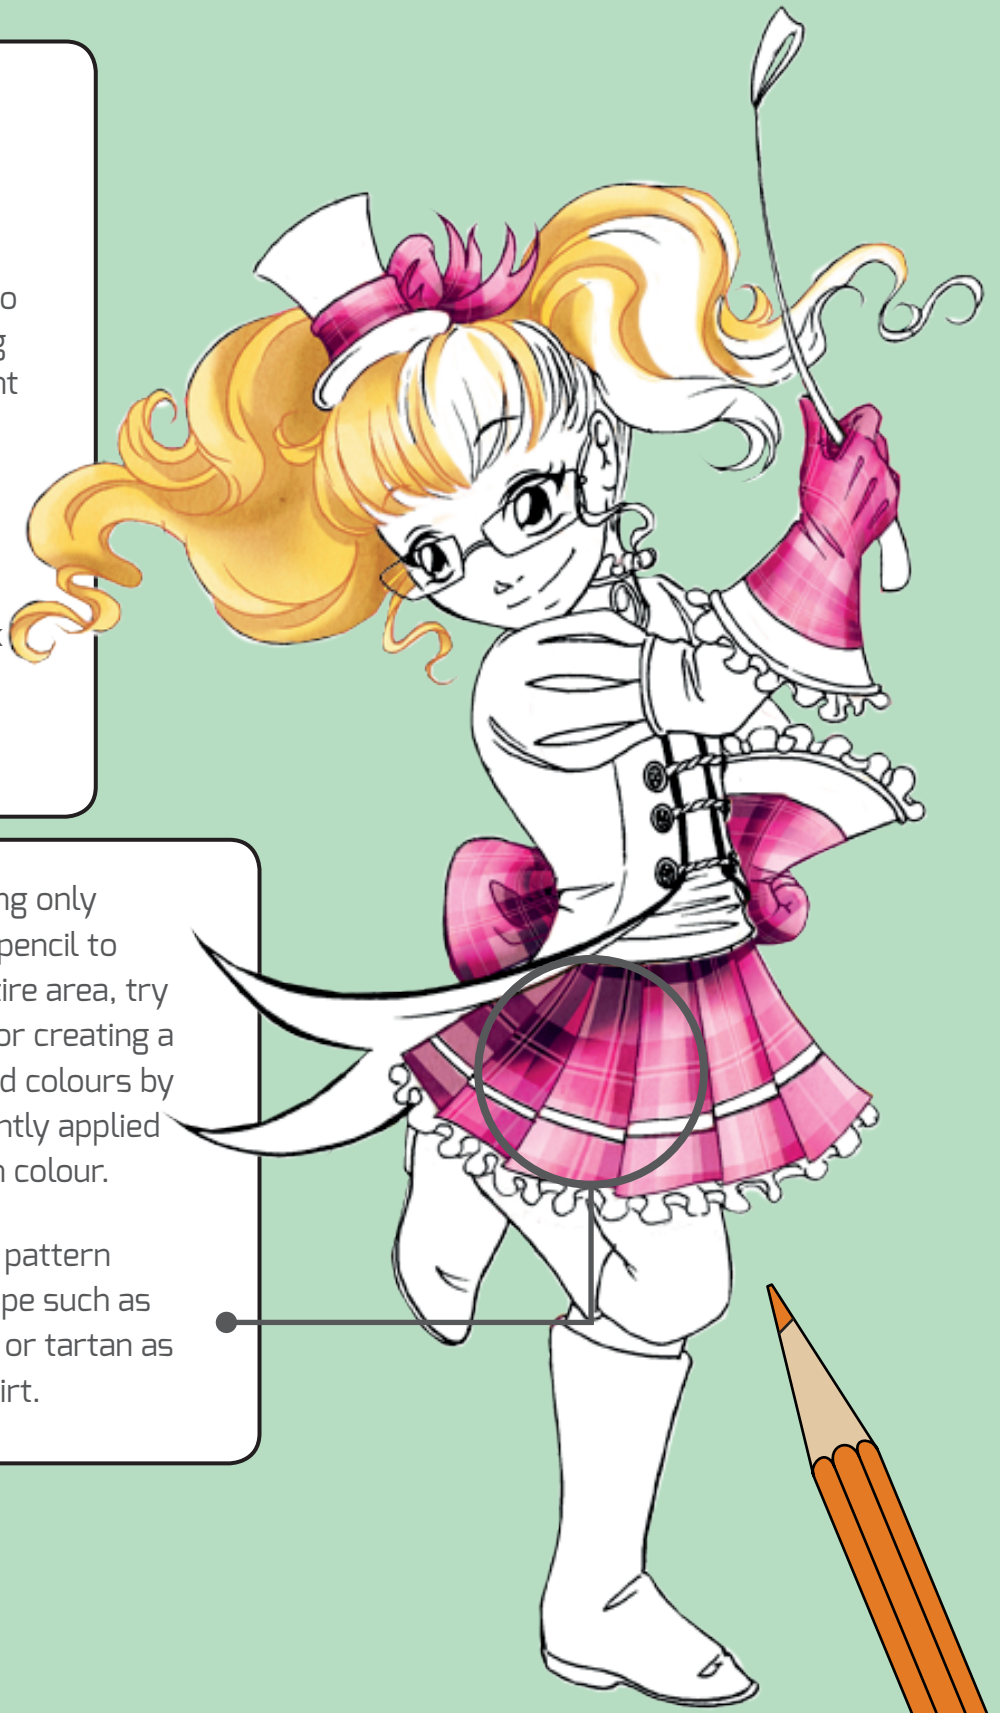

Experiment with Colour

Think about what sort of colour palette you want to use. Try using contrasting colours to create a vibrant image. Keep it simple, or go crazy. Using all the colours of the rainbow can look stunning.

Monica loves to wear pink clothes and her favourite colour is pink.

Instead of using only one coloured pencil to shade and entire area, try blending two or creating a gradient. Blend colours by overlaying faintly applied layers of each colour.

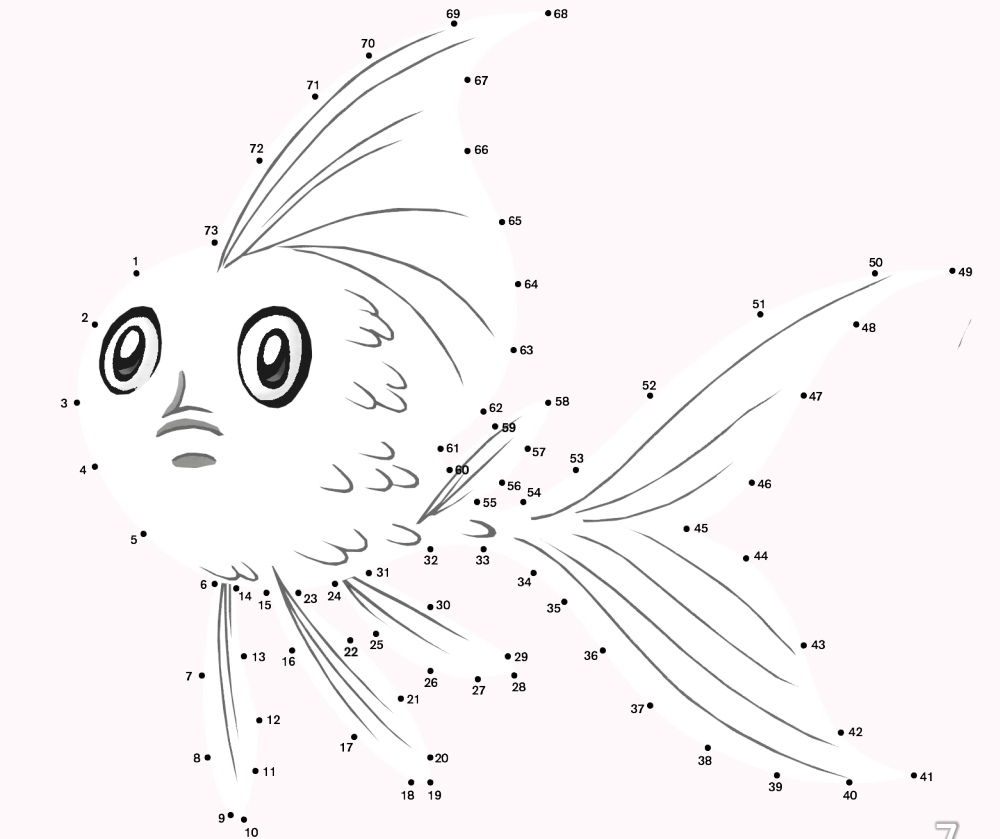

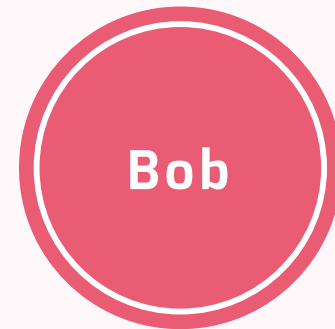

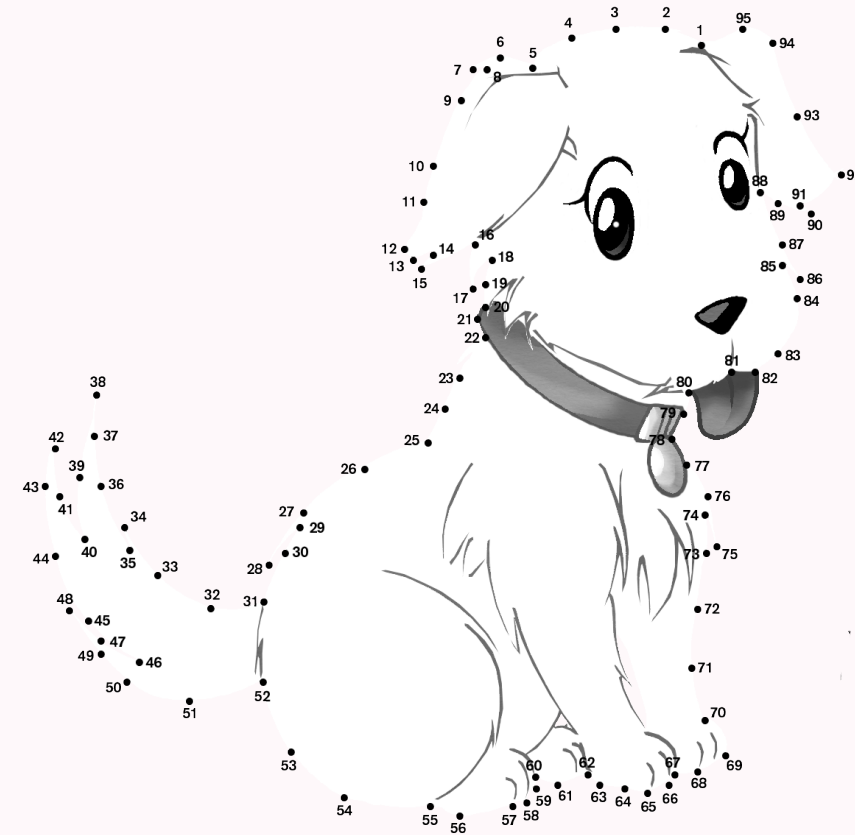

Even create a pattern within the shape such as stripes, spots or tartan as in Monica's skirt.

Monica Pink Pet Shrink

Monica Pink is a pet shrink. A pet shrink is someone who is really good at understanding pets.

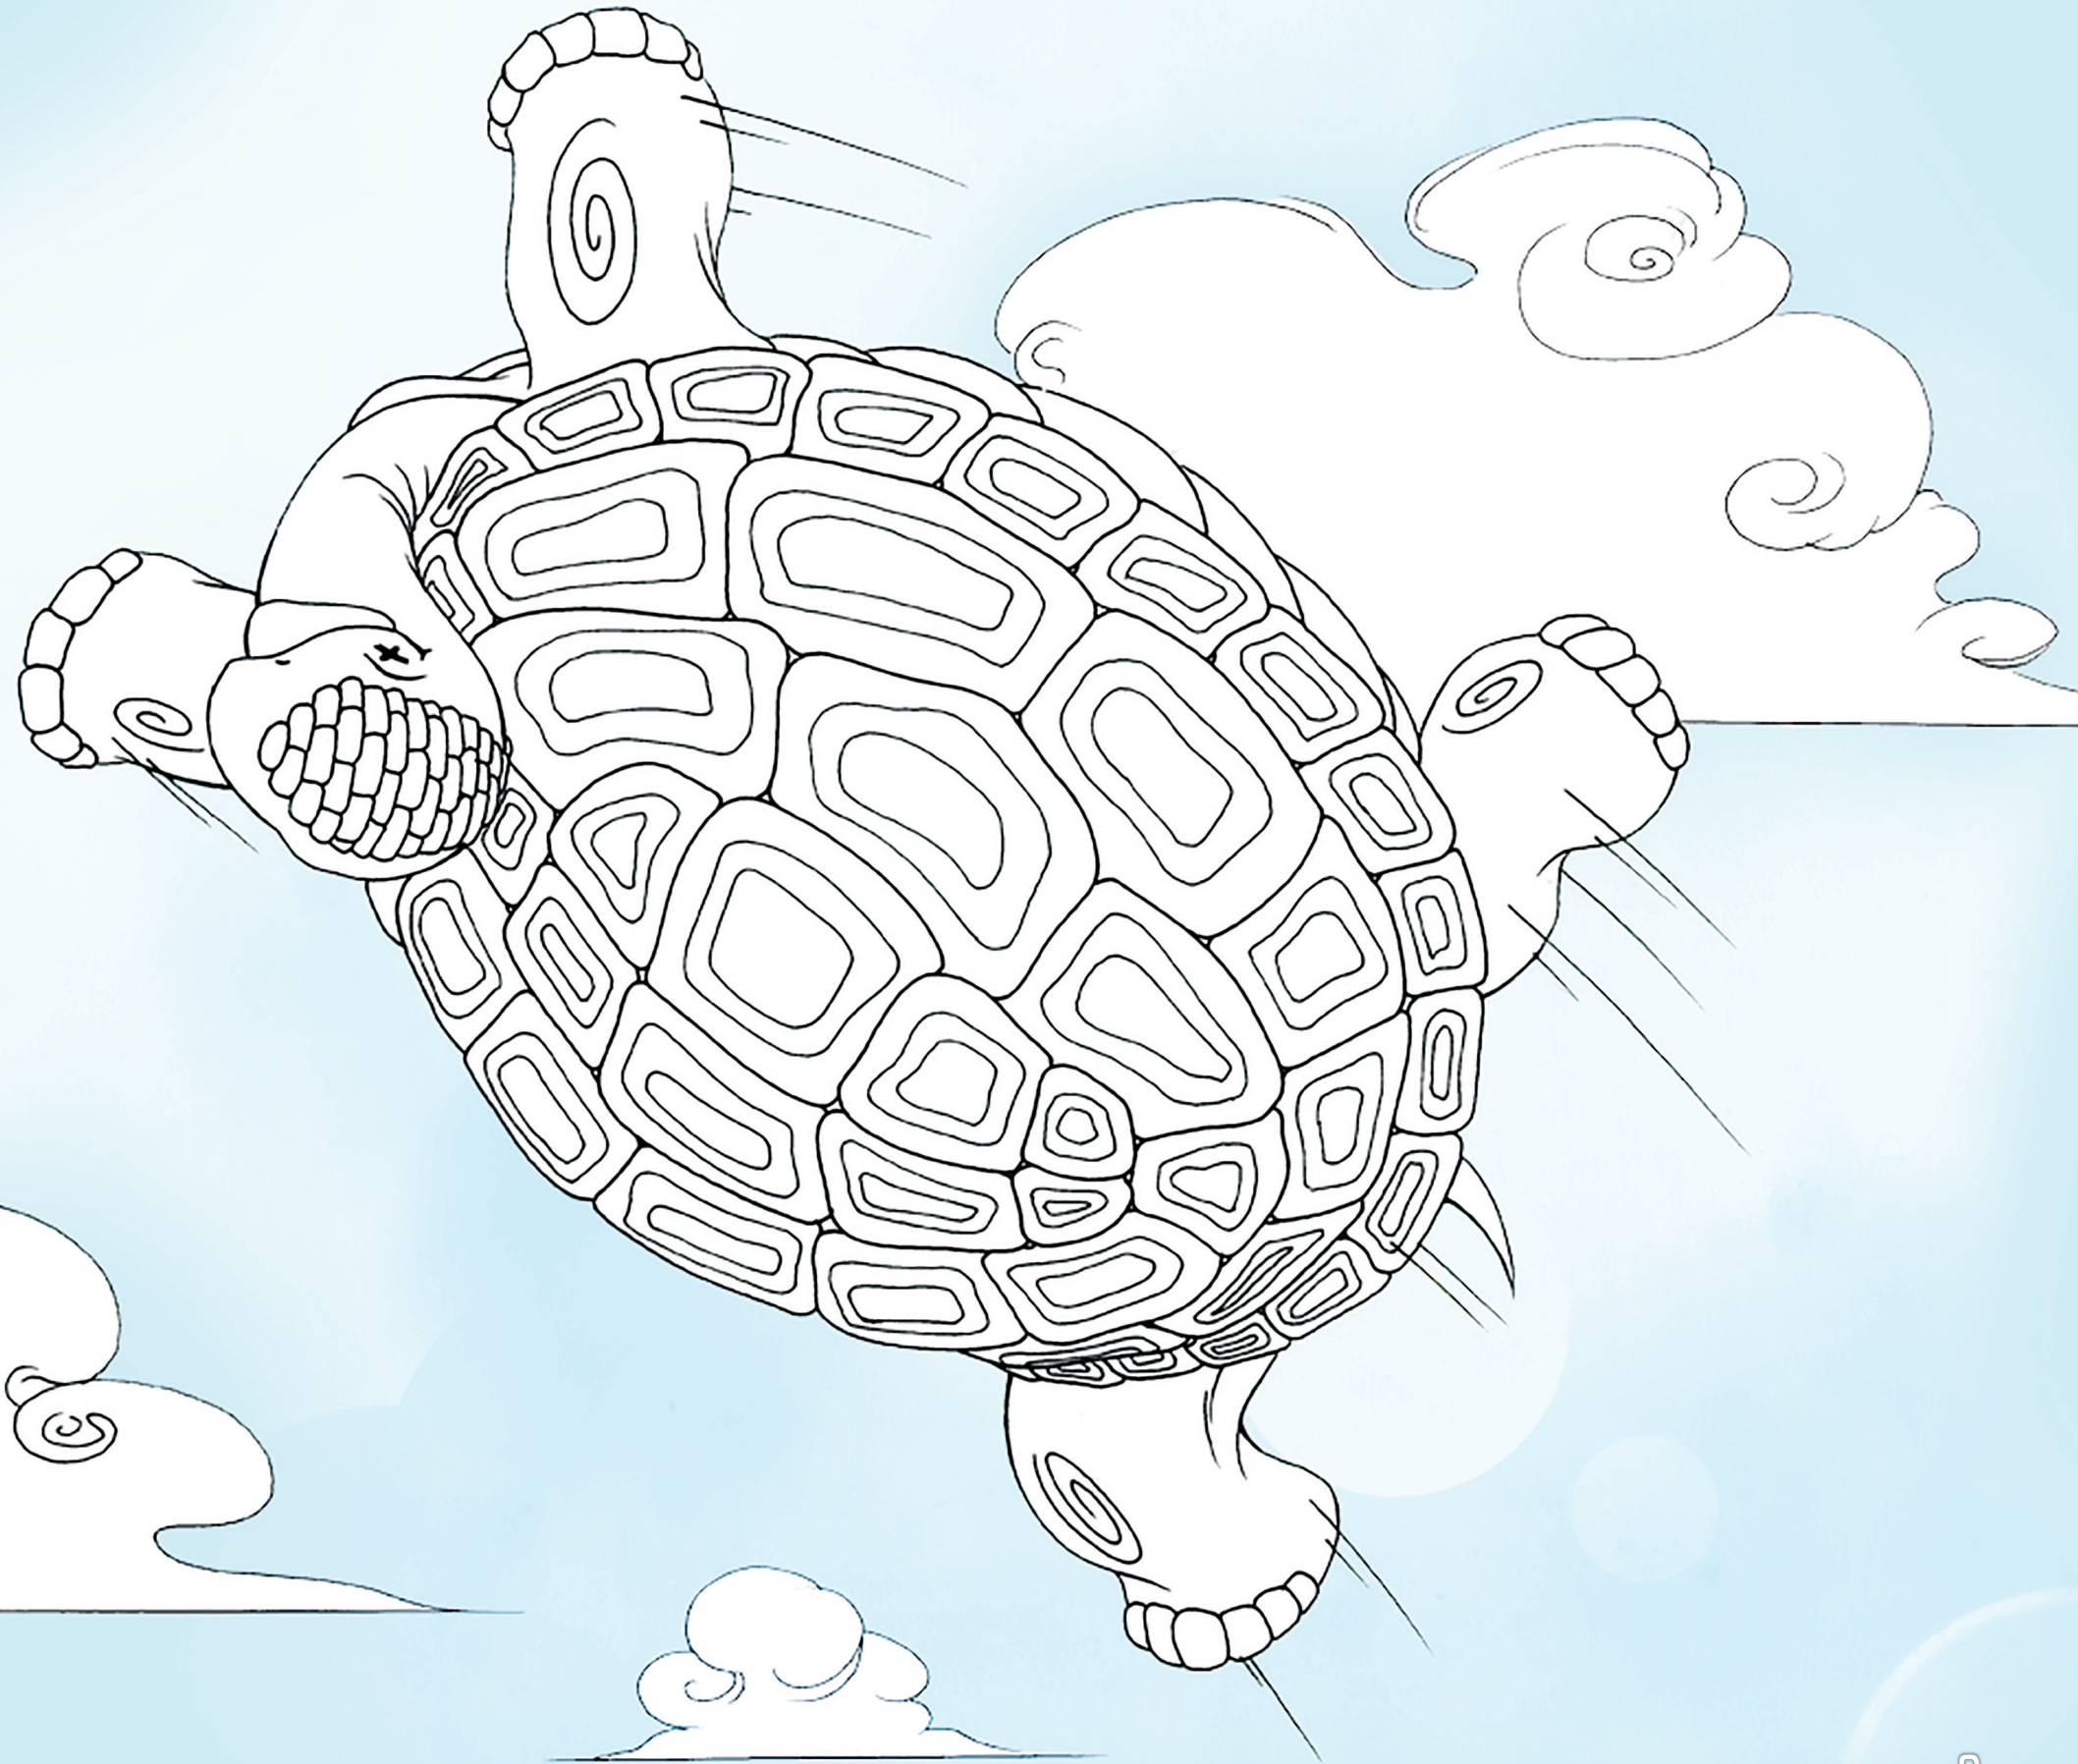

Help Monica draw some of her favourite pets and colour them in too.

Speedy

Speedy is the cleverest tortoise on the planet, he is 70 years old and my dad said he used to belong to my granddad.

I like to talk to Speedy and he usually doesn't talk back - I usually know what he is thinking though.

Monica the Lion Tamer

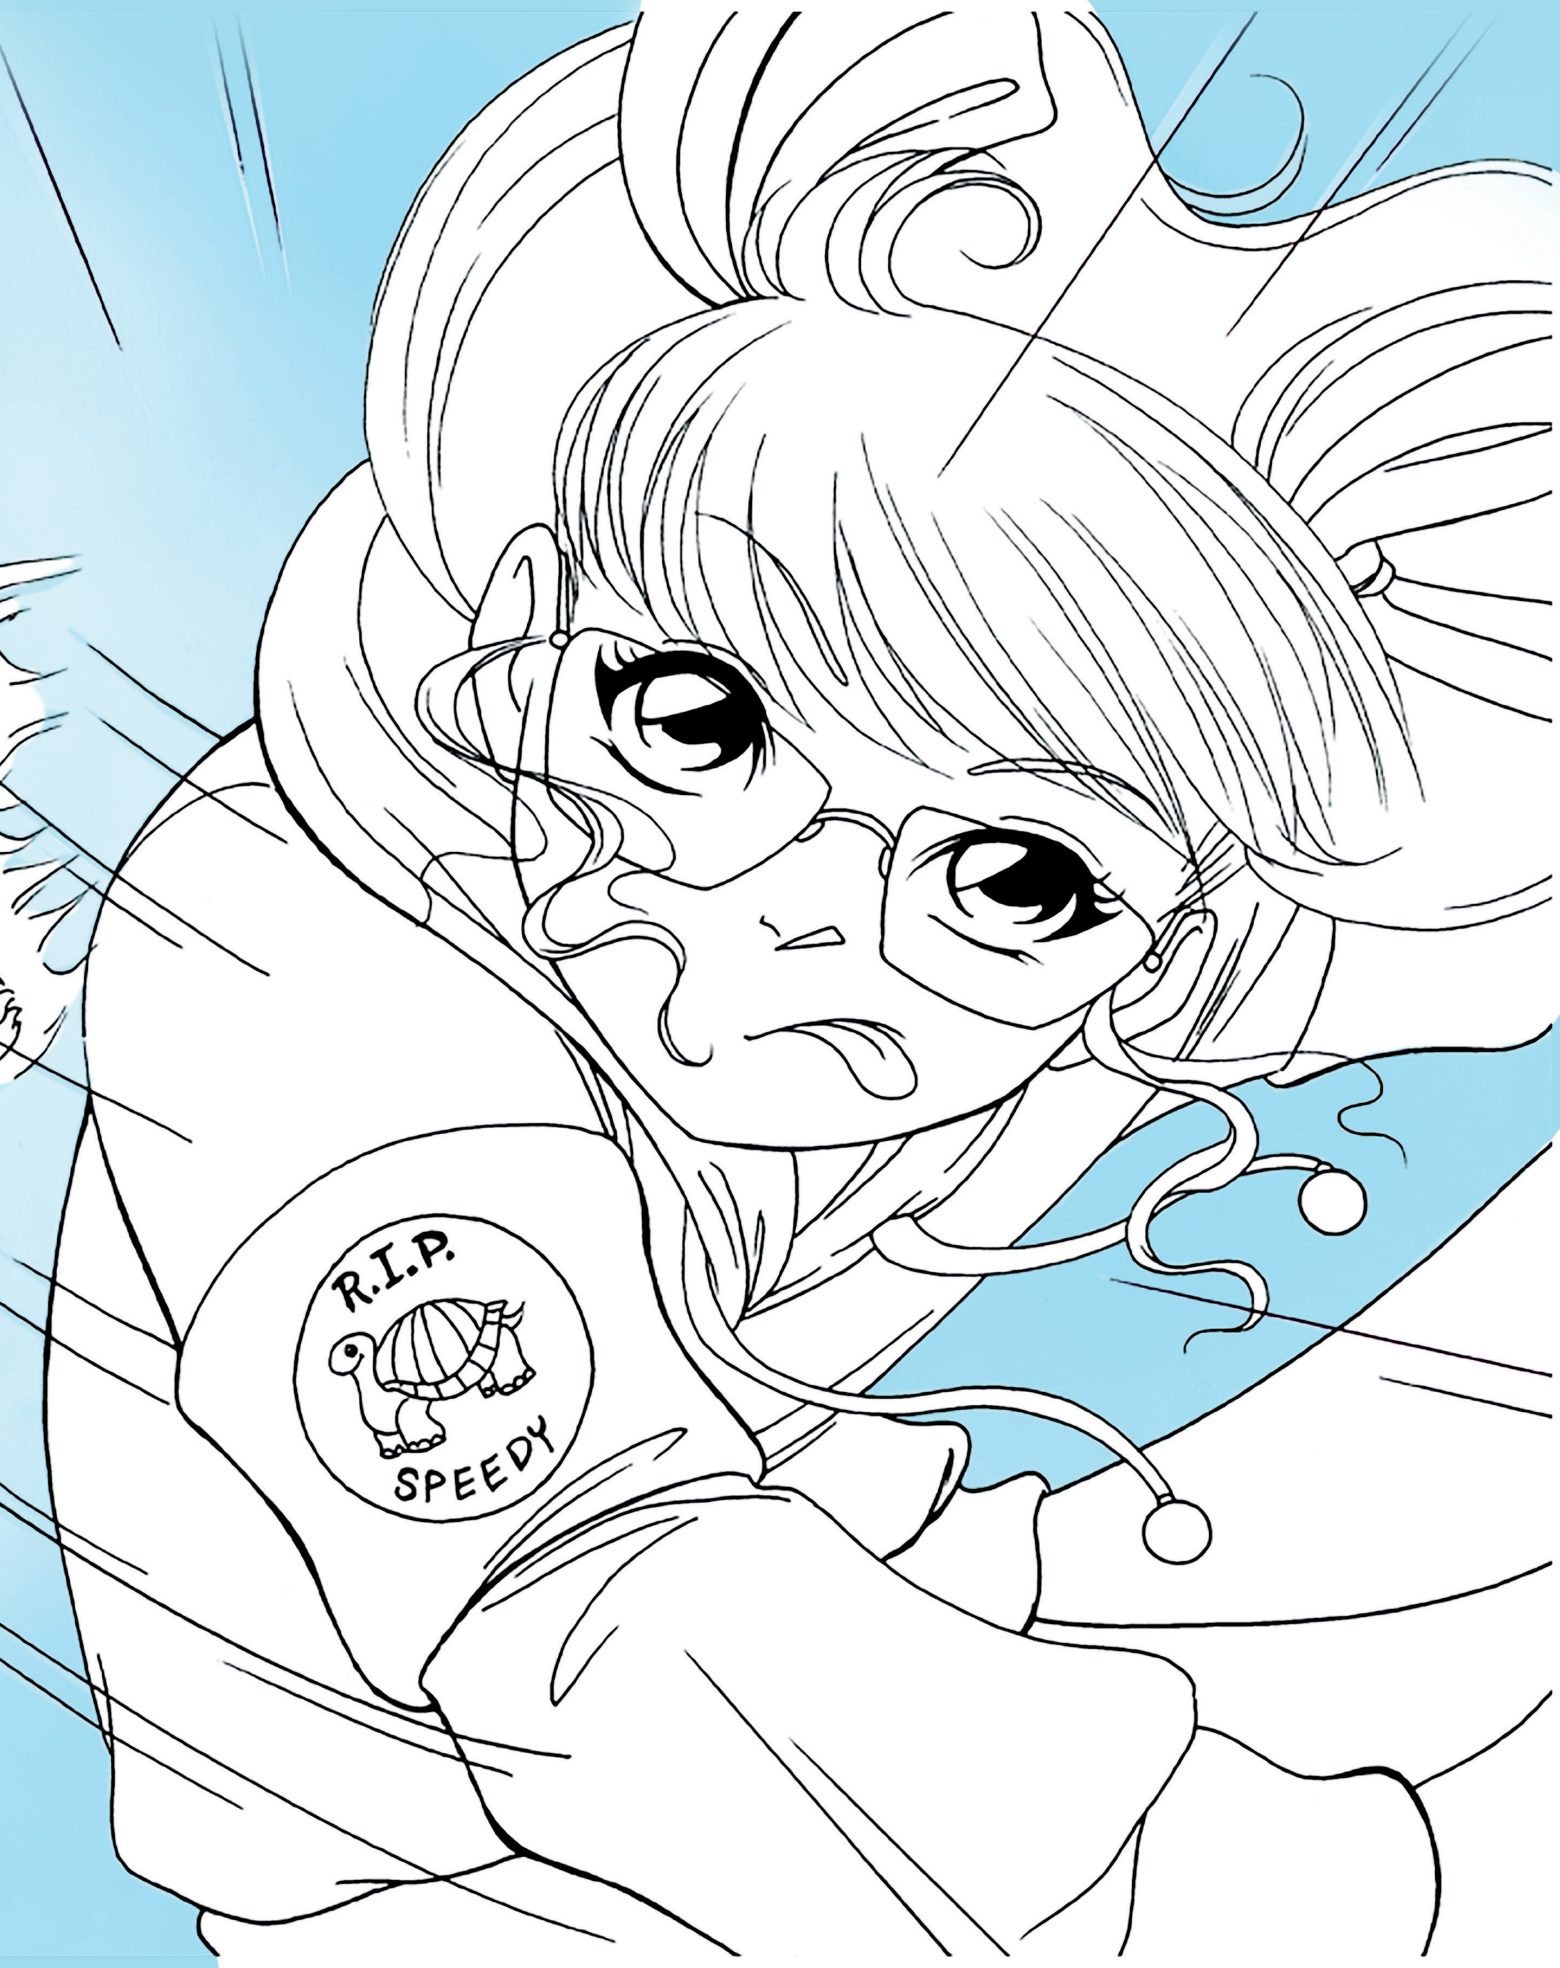

The only way to soften a lion's heart is to look straight into its eyes and send it a message of love.

Hamster facts:

1. Hamsters usually live until they are 3.
2. Hamsters don't like to share their homes with other hamsters.
3. Hamster is a German word for keeping food in your cheeks.

Henry

Copy the Character

William

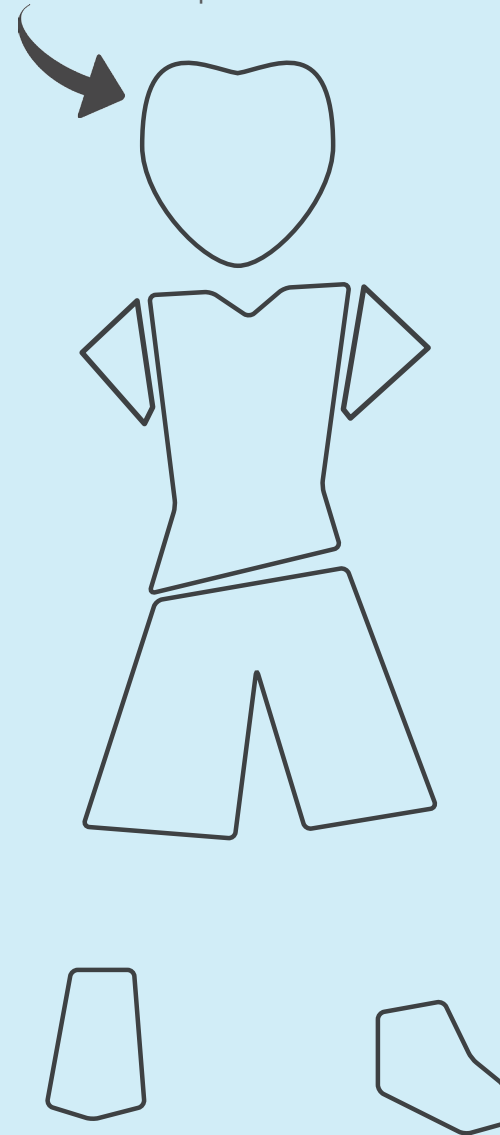

The messy haired, freckly boy, from next door is called William Strange and he knows lots and lots of stuff about pets. I like him. He is the first kid I have ever met who knows more than me about pets.

Draw William in the box so he can join Monica in her adventures.

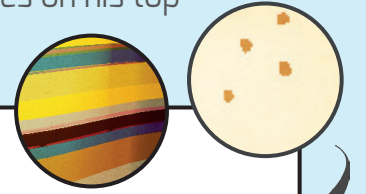

Try break him down into simple shapes

Heart shaped head

Remember to add details like freckles and the stripes on his top

The Strange family

I went over to William's house. William has lots and lots and lots of pets. They are all over the house and garden and outbuildings. I don't think I have ever seen so many pets or been so happy.

How many pets can you see?

Garden Party

There was a table covered with drinks and snacks. Dr Dickson, Miss Appleby and some kids from school (along with their pets) had come. Jessica was there with her green Poodle and even nasty Mark was there with his mangy old dog Fido.

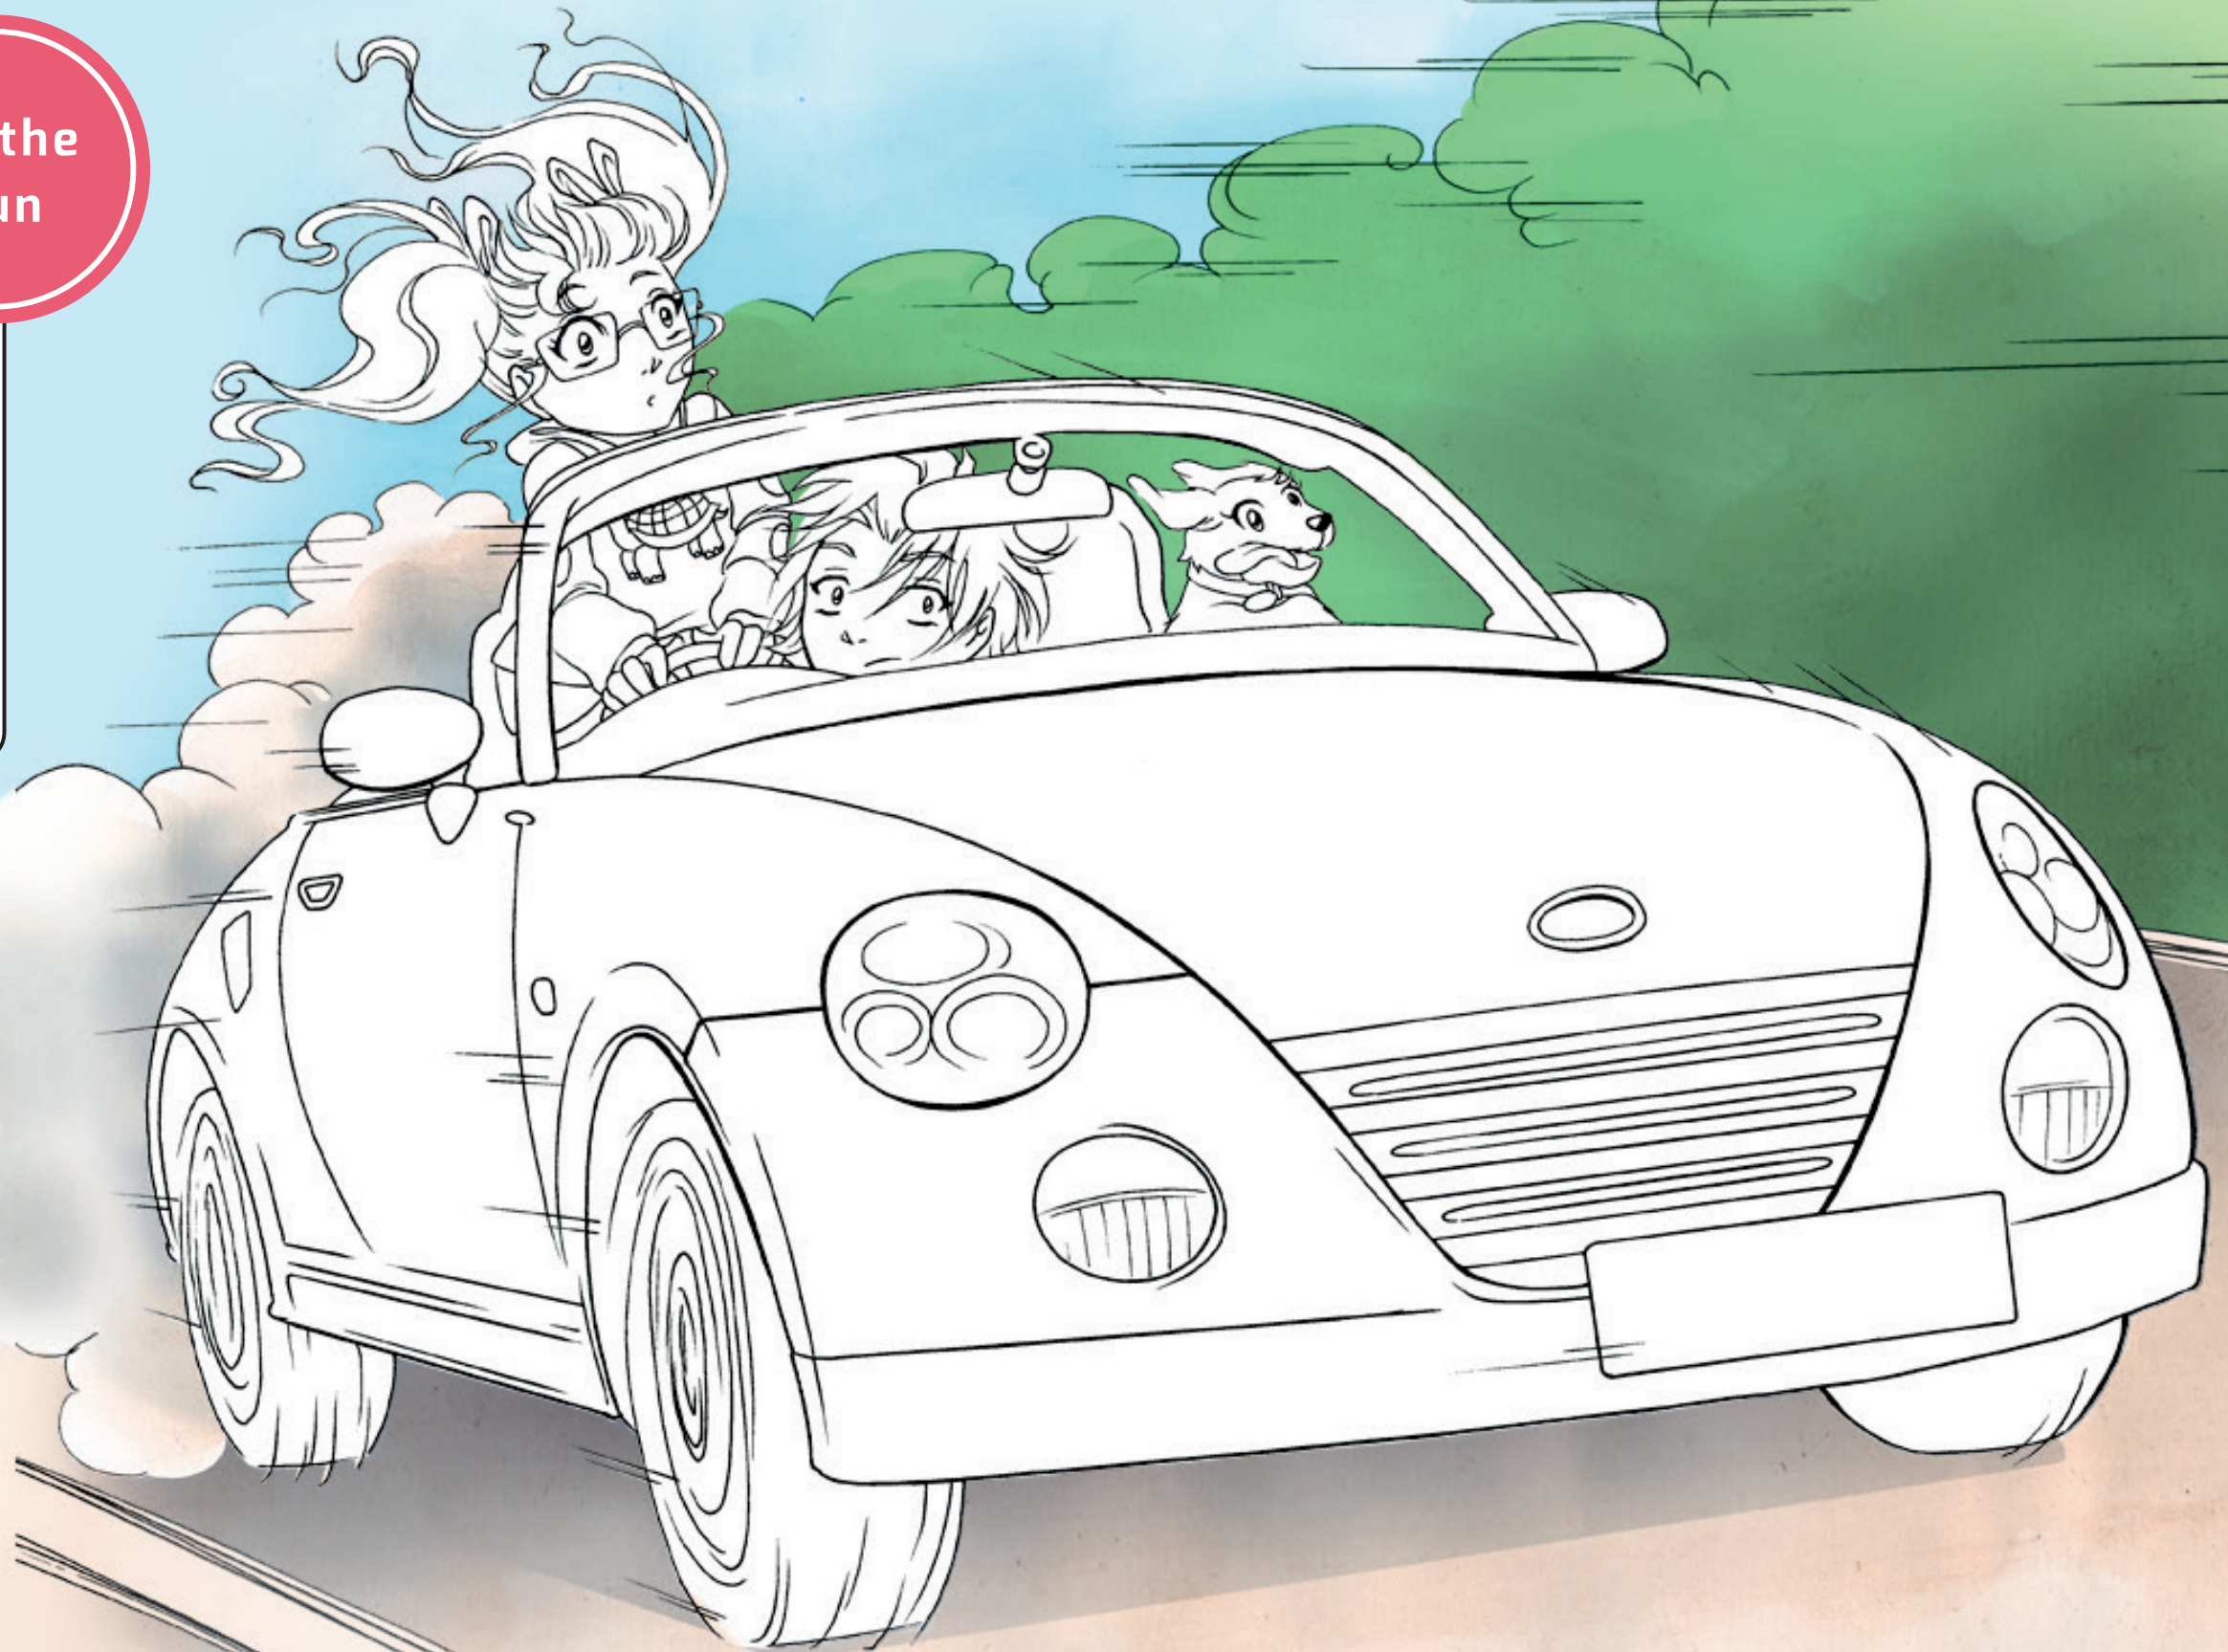

Jumping for Joy

We heard our names being shouted by Mr Strange, we ran outside and found Mr Strange on the trampoline with a new puppy.

On the Run

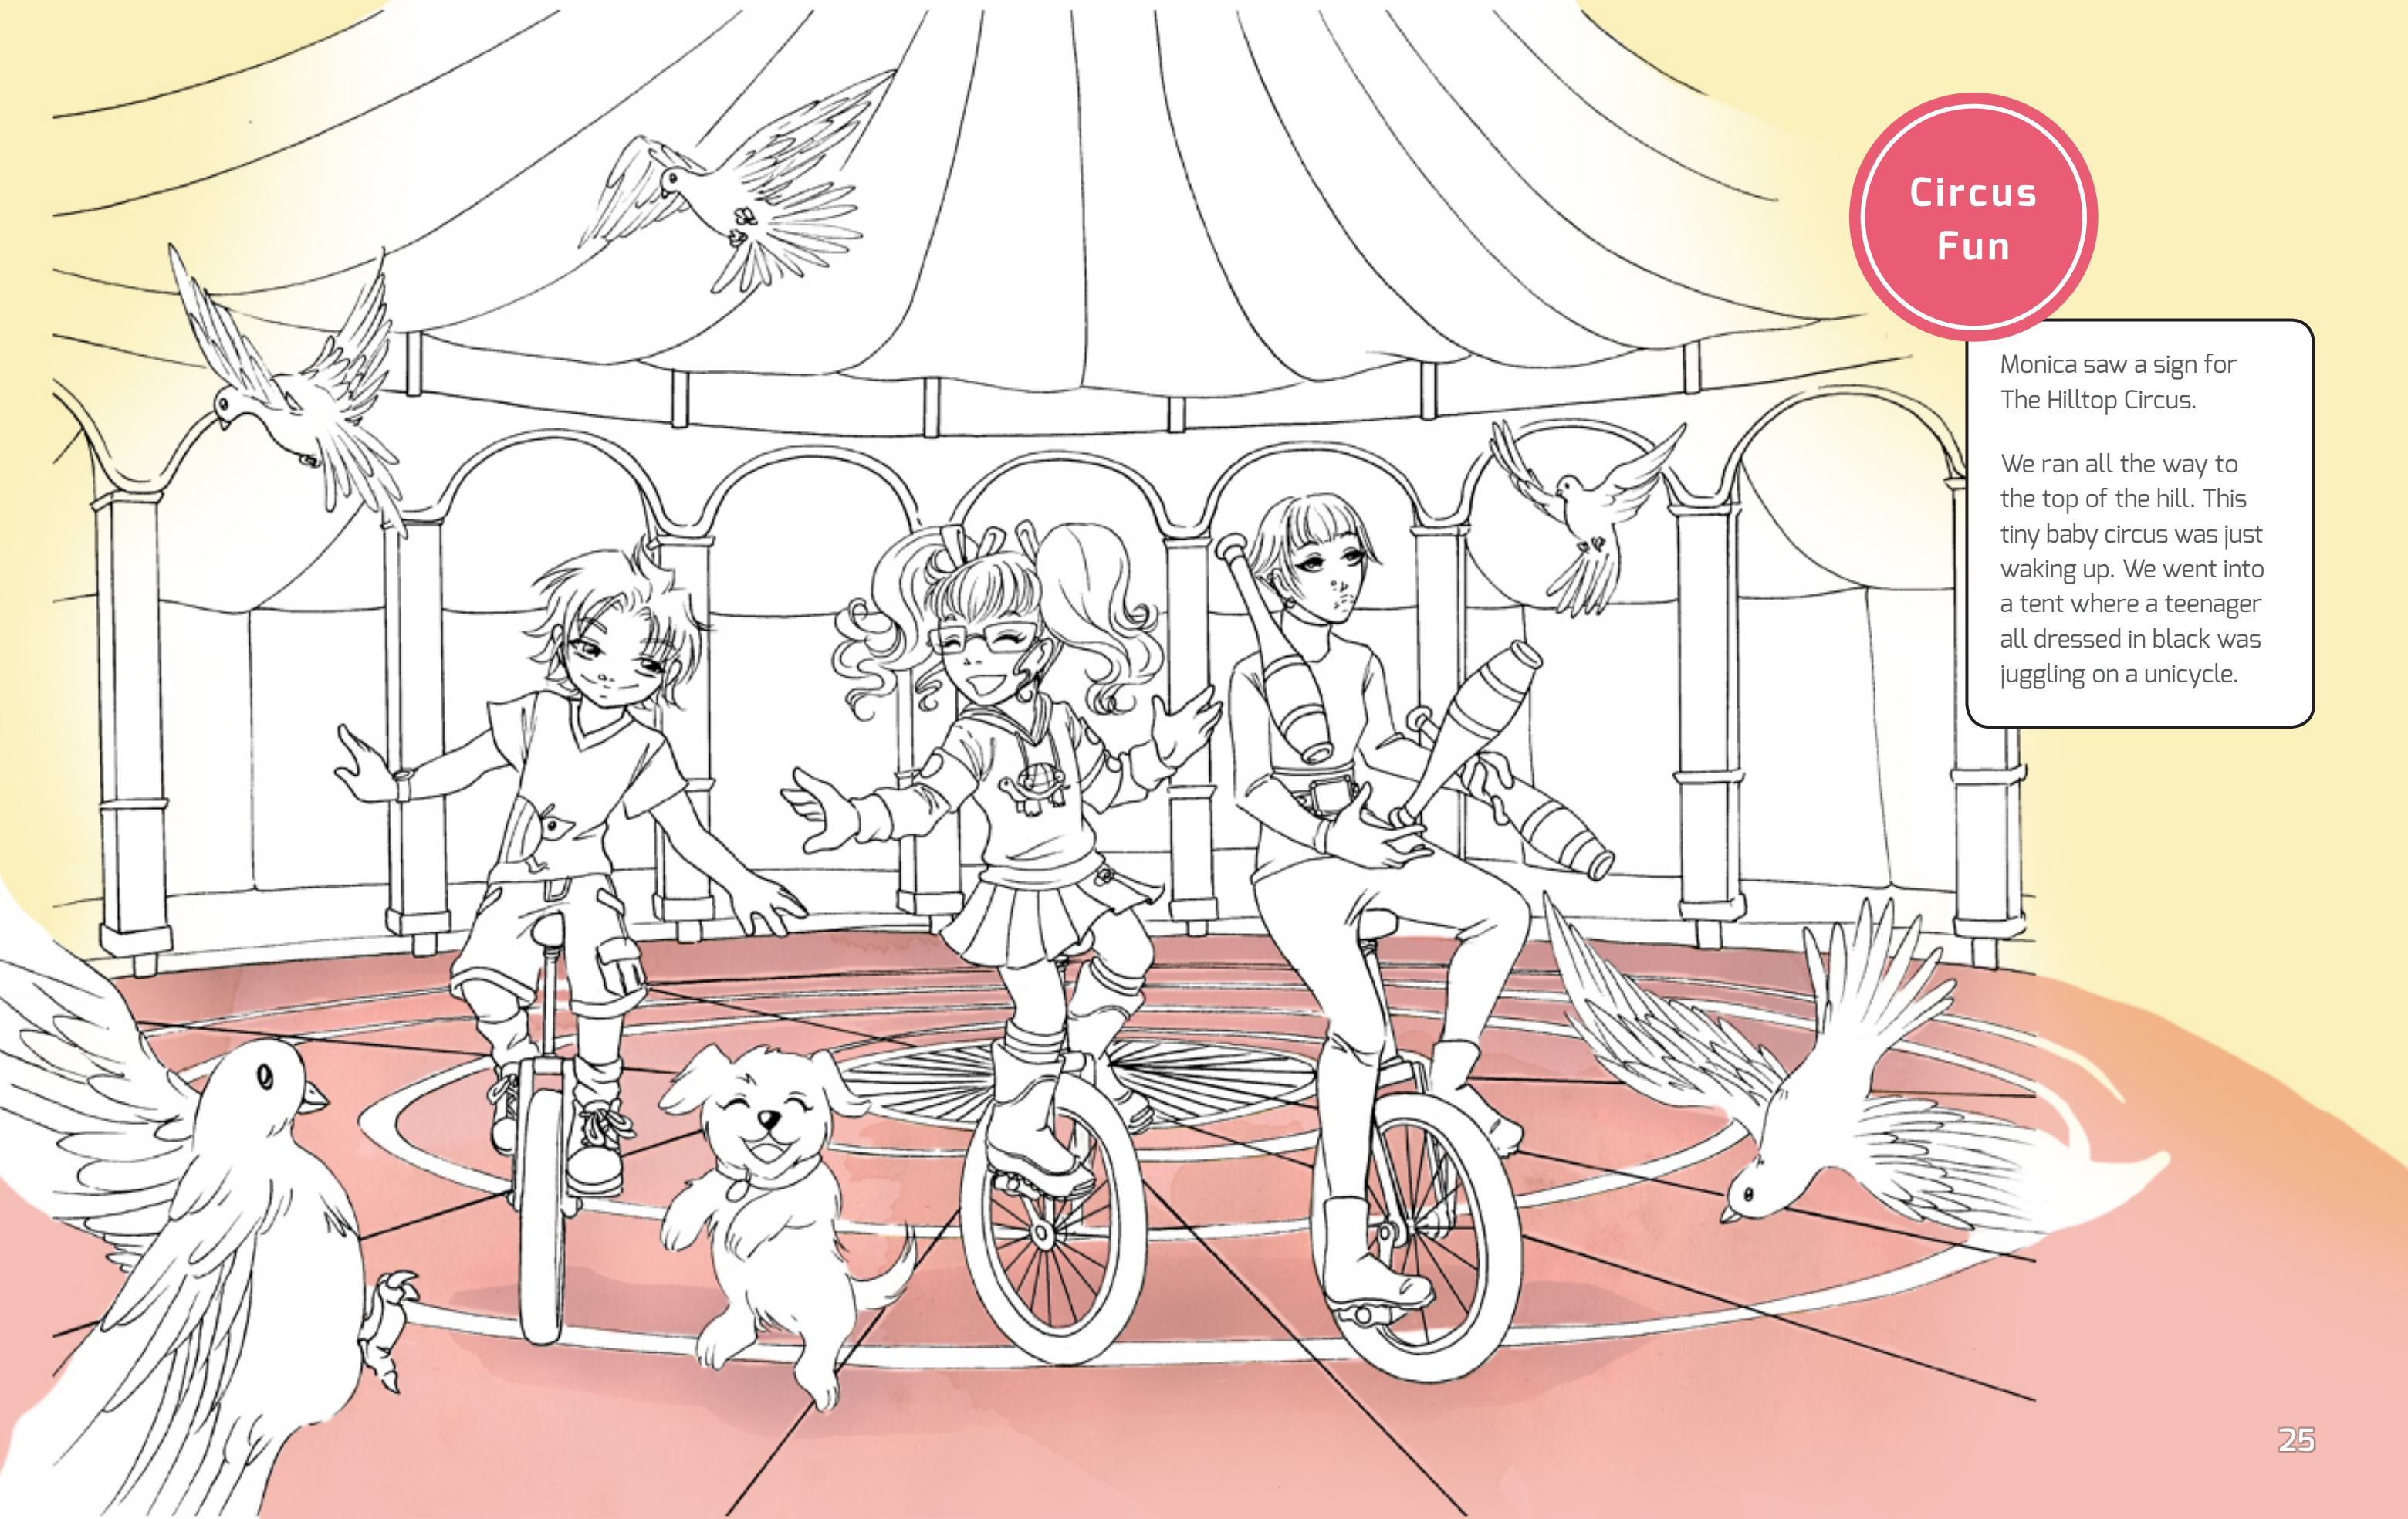

Dr Dickson's car is small enough for a couple of kids to drive. I put Monica the puppy in her travel box and sat her on the passenger seat. Monica looked happy to be part of our adventure, she doesn't like being left out.

Circus Fun

Monica saw a sign for The Hilltop Circus.

We ran all the way to the top of the hill. This tiny baby circus was just waking up. We went into a tent where a teenager all dressed in black was juggling on a unicycle.

Miss Appleby

Miss Appleby is my teacher and she is very, very nice. All the dads at school really, really like her. She doesn't have any pets but she has a lot of stuffed animals.

Help Miss Appleby find the words in the wordsearch puzzle.

Fearless Fred

The lights went out, there was a drum roll and a voice said, And now ladies and gentlemen, boys and girls, our very own lion tamer the one and only Fearless Fred.

Going Home

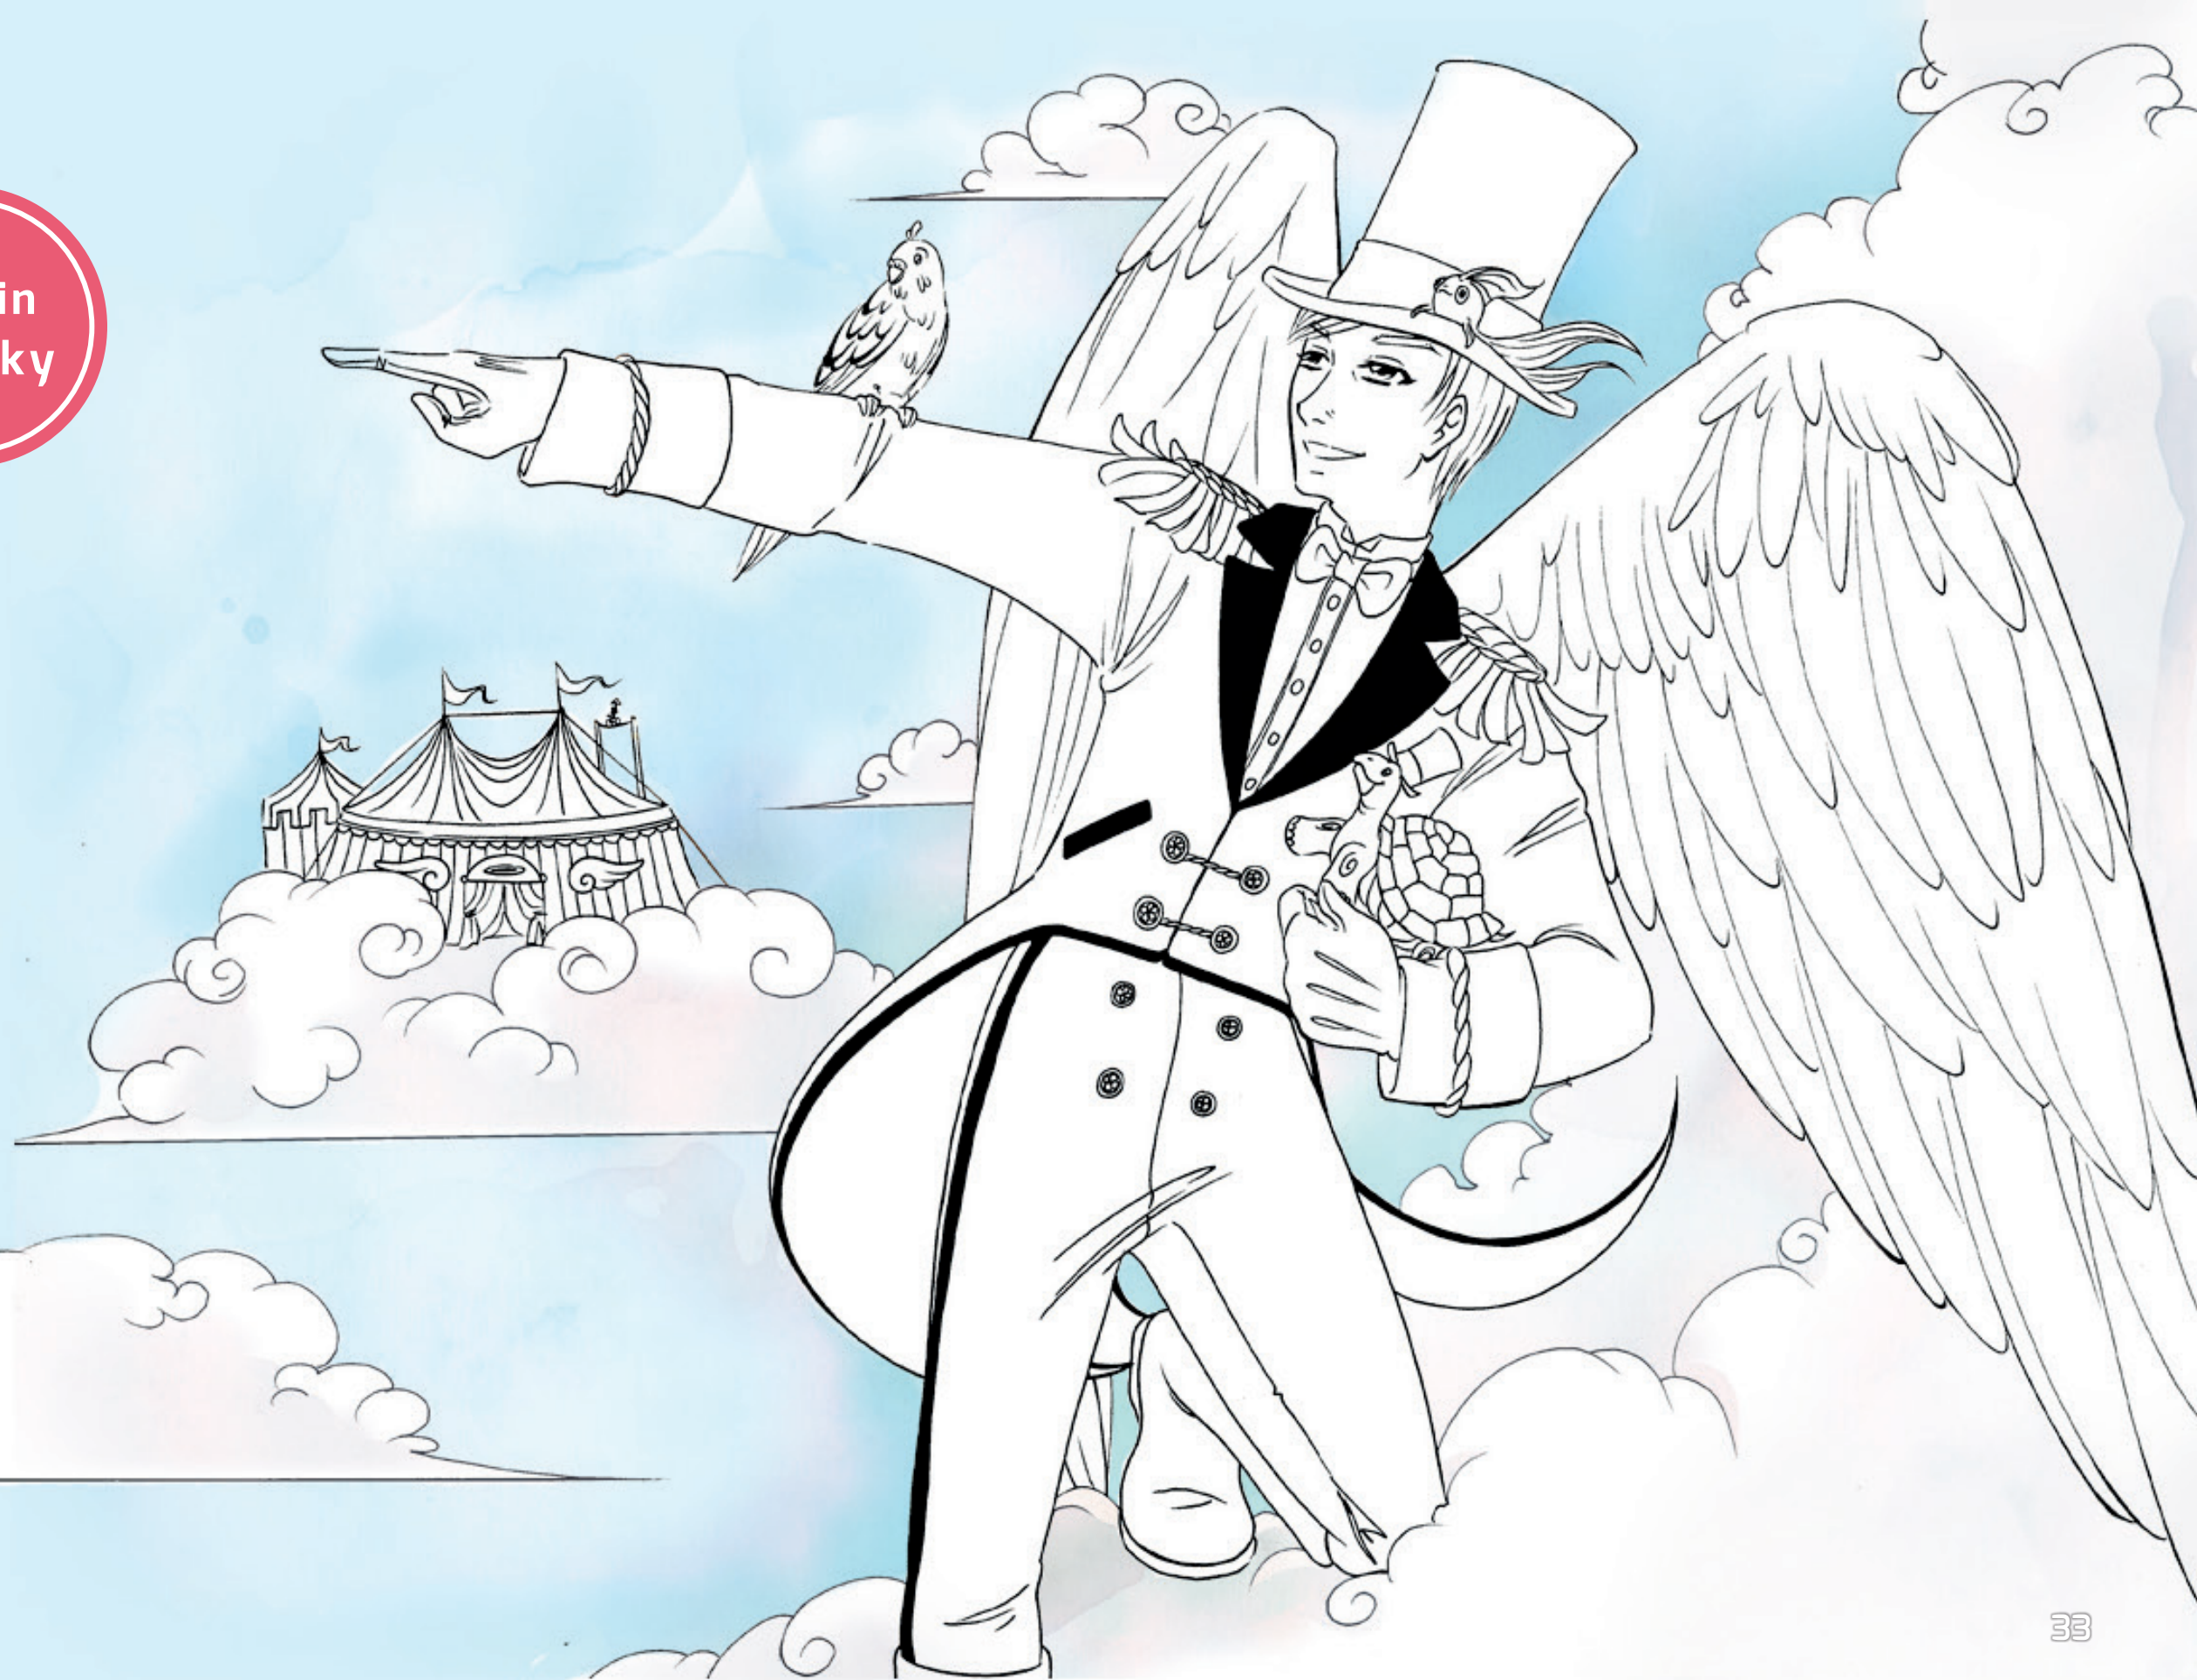

Fearless Fred said "I have a plan". We clapped our hands with joy and then he said, "I'll drive you home".

He drove really slowly and lots of cars kept beeping their horns at us. His hair blew in the wind and he sang a sad little song to himself in lion taming language.

Ken in the Sky

I told dad I forgave him for killing Speedy and asked him to always look after him in heaven. Fearless Fred said, "You have a lovely family son. I'm so proud of you".

Doodle Page

Why don't you draw some of your favourite pets.
